

Refer-a-Friend Discount for NEW Exodus clients:

For each referral, a discount of \$100 pp will be applied against your first trip booked with Exodus Travels on the following terms. To qualify for the discount for new clients, bookings must be for a minimum of \$1,200 pp. Referred clients and those other individuals (if any) traveling with them on the trip booked must not have previously booked travel services with Exodus. Discounts are calculated on a per person basis for new clients only and credit to the original Exodus client is \$100 per booking (no matter how many travelers). By way of example, if your referral books one trip for 2 travelers they will get \$100 off each and \$100 total credit will be available to you for your next trip.

The deposit for a new client's first trip will be based on 100% of the trip price and the \$100 pp discount will be taken off the owing balance due at final payment. The refer-a-friend discount should be presented at the initial stage of trip planning by you stating the name and email address of the person who recommended Exodus to you.
