

Refer-a-Friend Discount for PAST Exodus Travelers:

For each qualifying referral, a credit of \$100 will be made available to you on the following terms. Discounts are to be applied to future trips booked by past Exodus Travels' clients. This credit can be applied to any trip valued at a minimum of \$1,200 pp. Refer-a-Friend credits are calculated on a per trip booked basis and not on a per person basis. By way of example, if two of your referrals book one trip for themselves and three other travelers, a credit of \$100 total will be available to you. You earn the discount as of the first day of your referred booking's trip - trips that are booked but then not taken or that are cancelled do not qualify for a discount.

You must communicate your desire to use some or your entire qualifying refer-a-friend discount during the initial stage of trip planning. The deposit for any trip with eligible refer-a-friend discount will be based on 100% of the trip price and the discount will be taken off the owing balance due at final payment. Please note that refer-a-friend discount is non-transferable and cannot be given or transferred to friends or family.
